SDL Conveyor Range

Affordable, fully featured food production lines

Introduction

The range of Millitec's SDL (Sandwich Diffusion Line) conveyors represent the ideal small scale production line system for food producers. The line is fully featured and comes with a full range of accessories.

Product trays can be mounted along both sides of the line on the inbuilt rail system. The line features touch screen control, integration for buttering and depositors. Production rates can be controlled via the inbuilt indexing system.

Features

- Cantilever designs for quick and easy belt removal
- Quick release belt tension and tracking memory
- Touch screen and PLC control
- Indexing and continuous modes
- In-built product counting
- Photocell control of production
- Variable speed from touchscreen
- IP65 electrical protection
- 900mm \pm 50mm standard height
- Accessory rail full length of line
- In-built electrical distribution
- Quick release belt scraper
- Integrated depositor control
- Integrated butterer control
- Facility to be networked onto our production planning/monitoring systems
- Food quality blue belt
- In-built control for 2 of depositors
- In-built control for buttering machine
- Facility to set order quantities
- Control of production rates
- Indexing with variable advance and rest times

Millitec also manufacture:

- Cantilever conveyors for total hygiene
- Sanitisers
- Mixers and Tumblers
- Full range of sandwich lines
- Process control systems
- Palm top data acquisition
- Ultrasonic cutters
- CIP systems

Specifications

Dimensions

Belt Width: 300mm wide
Length: 3000mm to 6000mm available
Working height 850-950mm adjustable

Electrical

Voltage: 200-240V AC
Current: 10A
Frequency: 50-60Hz single phase

Accessories

SDLBM (Sandwich Diffusion Line Buttering Machine)
Product tray holders
Cutting and packing tables
Scale tables
Product counting photocells
Production control sensors
Belt indexing
Bread trollies
Gastronorm trays
Gastronorm trollies
Automatic belt cleaning and drying CIP system

All machines are available for free trial or rental.
